

Mechanical Work

- Heaters
- Boilers
- Tanks
- Torqueing
- Blinding Activities
- Pressure Testing
- Nozzle Repair / Replacement / Addition
- Other Fluid Containers
- Ducts & Breeching
- All Code Repairs
- Rigging and Lifting Operations

Pipefitter

- Process Piping
- Underground Piping
- Instrumentation Tubing
- Torqueing
- Steam Tracing
- Blinding Activities
- Pressure Testing
- Fabrication – Shop/Field
- Rigging and Lifting Operations
- Repair / Replacement / New Install
- All Valve Repair / Replacement
- All Code Repairs / Installation
- Hot Tap / "Split Tee" Install
- Pipe Hangers / Supports

Structural Steel

- Fabrication
- Installation
- Metal Structures, Supports & Bracing
- Pipe/Electrical Rack
- Loading Rack
- Metal Buildings/Structures

Electrical Work (Power)

- Substations / MCC's
- Cable Replacement / Installation
- Connect / Disconnect
- Metering
- Trouble Shooting / Analysis
- Motors
- Switch Racks
- Duct Banks
- Heat Tracing
- Facilities Power / Lighting
- Temporary Lighting
- Transformers
- Breakers, Fuses, etc.
- Circuit Testing
- Switches

Electrical Work (Instrumentation)

- Controls & Transmitters
- Monitor Testing / Calibration
- Pressure/Temp/Flow Device Install & Repair
- Analyzer Installation / Maintenance
- Teledata / Fiber-optics / Communication
- Junction Boxes / Terminations
- Wired / Wireless Systems

Carpenter Work

- Scaffolding
- Shoring
- Forming

Operated Equipment

- Cranes
- Backhoes
- Lull / Forklifts
- Boom Trucks

Laborer Work

- Hole Watch
- Fire Watch
- Trash Pump, Sump Pump, Air Mover Operation

Rotating Equipment

- Pumps
- Alignment / Balancing
- Seal Repair / Replacement
- Motors
- Mechanical Drives
- Preventative Maintenance
- Fans
- Compressors
- Mechanical Conveying
- Mixers
- Gear / Gear Boxes
- Bearing Repair / Replacement

Turnaround Work

- Planning
- Scheduling
- Cost Estimating
- Execution – Major & Minor Outages
- Project Management
- Rigging Engineering
- Pipe Fabrication
- Constructability & Logistics Planning
- Code Support
- QAQC/ NDE

Project Management

- Construction Management
- Constructability
- Safety Management / Admin
- Insulation
- Painting
- Warehouse Services
- NDE / PHWT / PMI
- High Voltage
- Concrete Cutting
- Large Cranes
- Heavy Haul / Transport
- Safety Pre-planning / Consulting

Code Calculations for ASME BPVC Section I, Section VIII, Div. 1 & Div. 2:

- General Code pressure retention calculations (shells, heads, nozzles, heat exchanger tubesheets, etc.)
- Vessel supports (including wind and seismic)
- External attachments (pipe supports, ladder, platforms, etc.)

Code Calculations can be performed on the following with RMF Nooter providing the physical work.

- New construction
- Alterations
 - NBIC NB-23
 - API-510
- Rerates
 - NBIC NB-23
 - API-510

Calculations for API-620, API-650, API-653 repairs and alterations.
